

Parents Day!!!! Saturday October 8th, 2011

Parents/Guardians,

This Saturday is our 2nd Annual Parent's Day! This is a day where we show our appreciation for your support to the league.

At your child's scheduled game time, we will call you and your child to the field. We will take a picture of your family and then the football player or cheerleader will make their way to the field and you will head back to your seat.

Your child's coach will have a sheet this week with the kids on their team and a spot for you to write your name or the person representing your child this Saturday. Please make sure to see your coaches this week!

You will be able to pick up these pictures at the end of the season at the Pass, Punt and Kick Banquet.

Thank You,

Huron Junior Chiefs Football Club
