Parent/Tot classes ****NEW****

This program provides an opportunity for children ages 18 months to three years and their parents to enjoy an afternoon of circle time, crafts, stories, and conversation. Children feel free to play with others while having the security and comfort of their parent or caregiver nearby. Adults benefit from being able to discuss parenting issues with others and explore the YWCA approach to early childhood.

There is a maximum and minimum number of children/adults needed for this program so please register early to avoid being disappointed. Registration for all 3 sessions is encouraged so that you do not lose your spot in the class.

Living Healthy Workshop

This Workshop is intended for anyone whom is interested in developing healthy lifestyle changes. Our focus is to help you achieve your full health potential through nutrition and exercise. You will learn how proper nutrition and physical fitness can prevent and alter many health conditions, induce loss of unwanted body fat, and overall enhance the quality of your life and longevity.

A registered dietician will discuss ways to develop a healthy relationship with food and how to optimize your nutritional intake. You will also learn how to set realistic personal goals for balance and moderation.

A certified Personal Fitness Trainer will discuss how to incorporate fitness and exercise into your busy schedule. We will provide practical strategies for making fitness work for you. Start Living Healthy today!
